

New Contract For Hawthorne Blvd. Awarded

Award of a contract for the improvement of Hawthorne Blvd., from Crest Road to 1.2 miles southerly, to Asphalt Sales Co., on its low bid of \$67,931.06 was announced by County Supervisor Burton W. Chace.

The project was designed by the Los Angeles County Road

Department and is scheduled to be completed in November of this year.

Work will consist of constructing pavement for a two-lane highway. Grading and drainage structures were constructed by adjacent developers.

Chace said that Hawthorne

Blvd. is a major County highway and will eventually be developed to full master plan highway standards from the Pacific Coast Hwy. to Palos Verdes Drive West.

He added that the segment from Crest Road southerly is a completed portion immediately to the North and that the por-

tion between Palos Verdes Drive North and Silver Spur Road is now under construction at an awarded contract cost of \$588,989.
